

A large, leafless tree with a thick trunk and many bare branches stands on a grassy hill. The background is a clear, light sky. The tree is positioned on the left side of the image, with its branches extending towards the center.

## About Us

*Upciclo.com is an award winning start up and recognized as a social enterprise by CII. It is India's only exclusive marketplace for those who share the same passion for "Go Green" . We promote only sustainable and eco-friendly , cost effective alternatives to most lifestyle needs for individuals and businesses and help them reduce their carbon footprint.*

*We also educate the audience and visitors through our social media platform and support many self help women group and NGO's by enabling them on the platform to sell.*
